

Austrian International Rafting Championship 2017 European Cup 2017 Wildalpen, River Salza, 21th-23th April

The official International Austrian Rafting Competition 2017 will take place on the river Salza in Styria. The rules of the International Rafting Federation IRF category R4 determines the championship. Each competition (sprint, head to head, slalom, downriver race) gets points. The Rafting team with the most points after the last race in the category R4 will be the final winner.

There will be different classes (Junior, U23, Masters,...) if there will be three teams or more per category, if not all will start at the open category.
