**DEAR FRIENDS, RAFTERS AND EVERYONE WHO LOVES WATER AND NATURE**

**YOU HAVE AN OPEN INVITATION TO COME TO US IN SERBIA, THE CITY OF UZICA, AND TO**

**PARTICIPATE IN THE EUROPEAN CUP 2023**

The city of Užice (43° 51' 31" N, 19° 50' 56" E) is located in the southwest of Serbia. It has about 100,000 inhabitants. It is located on the river Djetinja at an altitude of 411m in the wonderful surroundings of the Zlatibor mountain and the Vrutci lake. It is a place where warm, hospitable people live and work. These are the people who always come out to meet you. The town is tucked away and surrounded by mountains, where there are beautiful areas for walking, hiking and enjoying the view from the viewpoint of the old fort, which is reached by a path. Serbian cuisine, music and hospitality is something that will help you enjoy after the competition and hanging out with friends. The Djetinja River is clean, category 1, cold, clear with a beautiful coast and nature. The river flows through the city center and the canyon where the competition is held is 300 meters away from the strict center of the city of Užice. The competition takes place from May 19 to May 21. In Užice, we have the Vrutci dam, which always provides us with a sufficient amount of water for training and competition. The competition will be organized in the R4 class in the disciplines: Slalom, RX and Downhill for the Open category, men, women and mixed teams. The water class is WW 2+ to 3. The RX discipline will also be open to Mix teams and they will be ranked. If there are more than three teams in the U19 or U23 category, we are ready to include them in the competition. The first captain's meeting is on the official training day on Friday at 3 p.m. After that, there is downhill training in the length of 4.5 km, and in the afternoon the teams can train on the slalom course, after which the second meeting of the captains will take place. The slalom course has 4 upstream and 10 downstream gates and is 300 meters long, as is the RX course. The judges who will judge are international WRF judges and will use electronic timing with Alga devices via wireless connection. The official boats for the competition are Aquadesign 380. Teams must register with the organizer with the consent of the national Federation no later than May 7. Please check in early as hotel accommodation is limited. The first registered teams will have better accommodation. The competition is organized according to WRF rules and under the guidance of WRF judges. The slalom and downhill course is covered by a free internet connection. Plan your arrival with fast connections of highways that take you from all directions of Western, Northern and Southern Europe where only the last 40 kilometers is not a highway. The nearest airports are Belgrade and Nis. Of course, according to Serbian custom, you as our guests do not have to pay for accommodation and food. Also, you don't even have to pay a registration fee. Everything is free for you competitors and coaches. All you have to do is come and enjoy the competition and the hospitality of the hosts. You are invited to enjoy, compete, win cups, medals, and of course, see old friends and make new friends. We are waiting for you with impatience.
