Under "**Team Information**" specify the **OFFICIAL IOC CODE** of your COUNTRY for each category you plan to take part in. If your COUNTRY is going to register more than a Team in the same category, you have to follow this example -> FRA 1, FRA 2

The use of Unofficial Denomination invalidates the registration.

List of IOC Code: https://en.wikipedia.org/wiki/List_of_IOC_country_codes.

If your Federation is planning to register more teams in the same age category/division (e.g. more teams in the "Senior Men") use the progressive numbering (e.g. FRA 1, FRA 2).

If the same Athlete will compete in more divisions (e.g. Senior Men and Senior Mixed), select both and write the respective Team denomination.

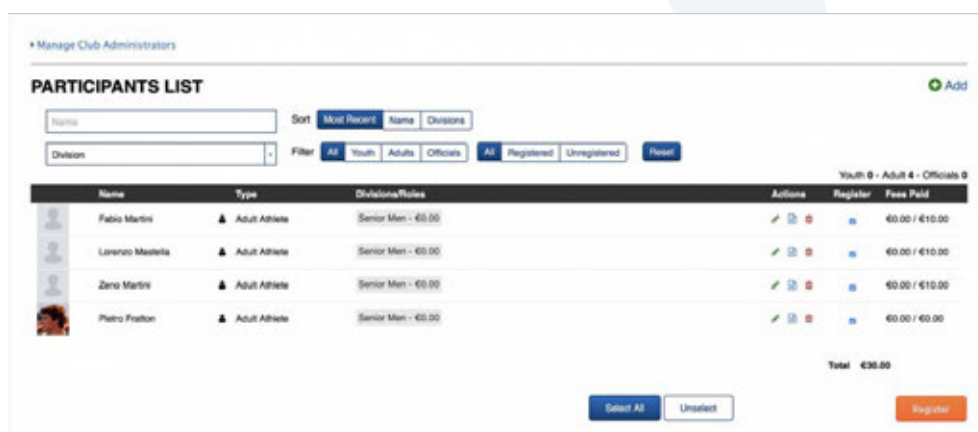

The athlete has been added to your roster.

If the athletes are already registered, the operation becomes much faster and easier (see pag. 12).
